SUSTAINABILITY TARGET

5 STAR GREEN STAR

SPRINGS ROAD ESTATE.

NEXT GENERATION INDUSTRIAL

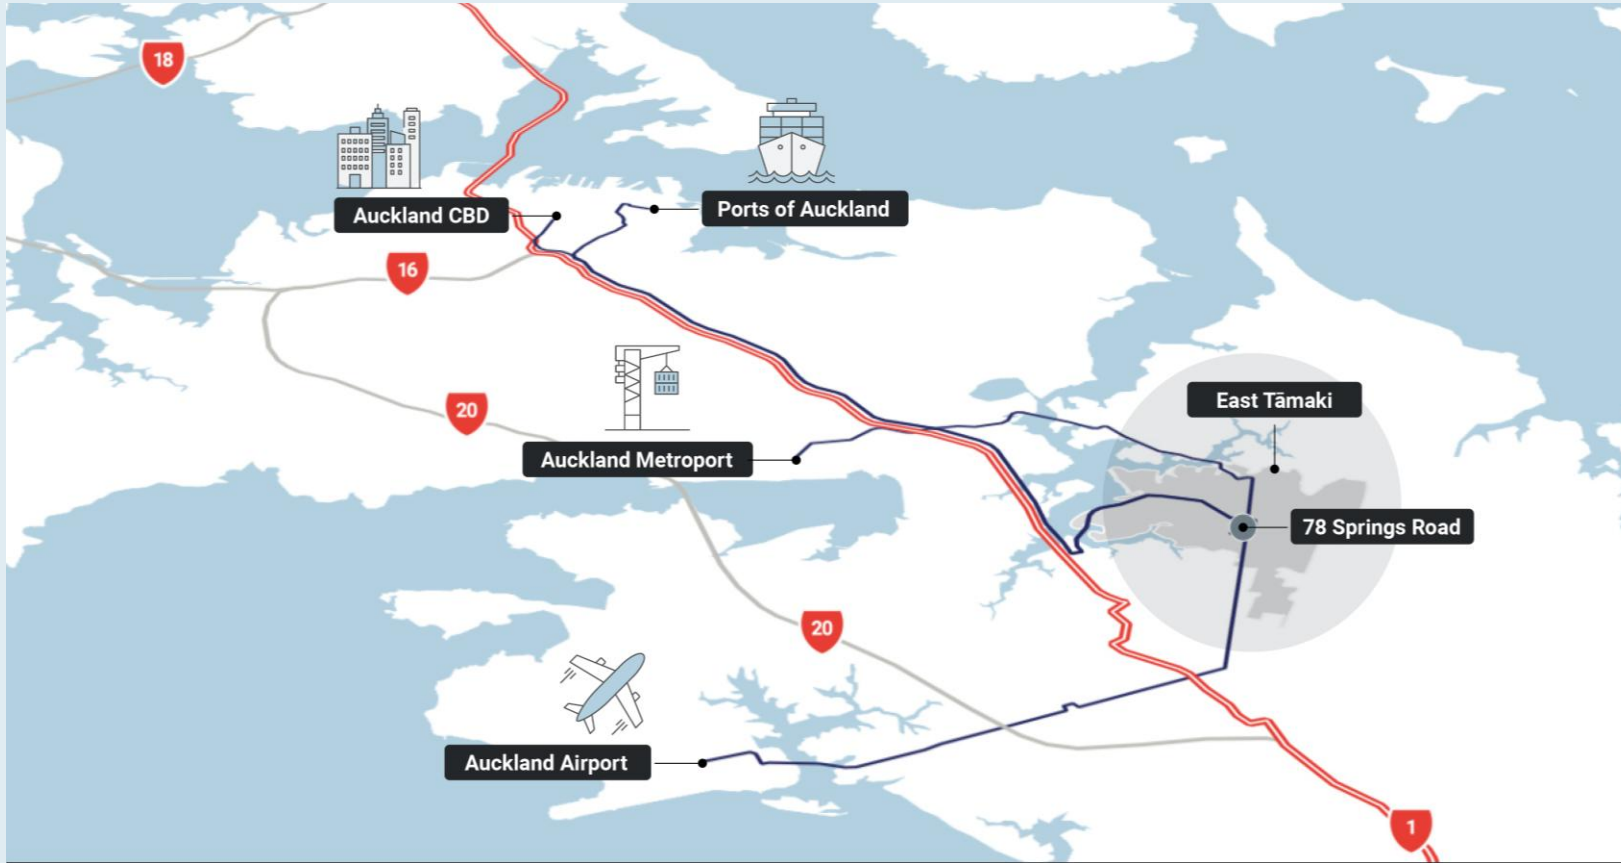

PFI's Springs Road Estate is located within Auckland's East Tāmaki. Set on 10.4 hectares with high profile road frontage, the site's multi stage redevelopment delivers world class, sustainable facilities designed to optimise your industrial operations.

BUILT FOR SUCCESS

Tenants of Springs Road Estate enjoy the benefits of brand new buildings in a well-established industrial precinct, supported by robust infrastructure and a thriving business community. With proximity to key amenities and transport links, Springs Road Estate combines strategic positioning, modern design, and long-term value for your business.

LOCATION THAT DELIVERS.

PRIME POSITION IN EAST TĀMAKI

Springs Road Estate is located at 78 Springs Road, right in the heart of East Tāmaki—Auckland’s leading industrial area. The estate enjoys prominent road frontage to both Springs Road and Kerwyn Avenue, offering excellent visibility and easy access for businesses and visitors.

EFFICIENT TRAFFIC FLOW AND LOGISTICS

The estate’s location allows businesses to avoid central city congestion, with routes designed for smooth traffic flow and reliable logistics. Its proximity to major transport infrastructure ensures fast, efficient access for deliveries and distribution.

STRATEGICALLY CONNECTED.

CONVENIENT PUBLIC TRANSPORT LINKS

Springs Road Estate benefits from strong public transport options, with a bus stop located directly outside the site. This makes commuting straightforward for staff and visitors, supporting workforce accessibility.

DIRECT ACCESS TO KEY TRANSPORT ROUTES

The estate is strategically positioned close to the Southern Motorway and major arterial roads, streamlining freight movement and daily commuting. This location enables efficient connections across Auckland and to wider regional markets.

KEY FEATURES.

BUILT FOR A GREENER FUTURE.

Choosing a property within a new PFI estate means committing to sustainability from the ground up. Each development targets a 5 Star Green Star Design & As Built rating - delivering energy efficiency, reduced operational costs, and a healthier environment for tenants and their teams.

WHAT GREEN STAR MEANS

- New Zealand's leading sustainability rating system for buildings
- Measures performance across energy, water, materials and indoor environment quality
- Creates healthier, more efficient spaces for people and businesses

WHY WE DO IT

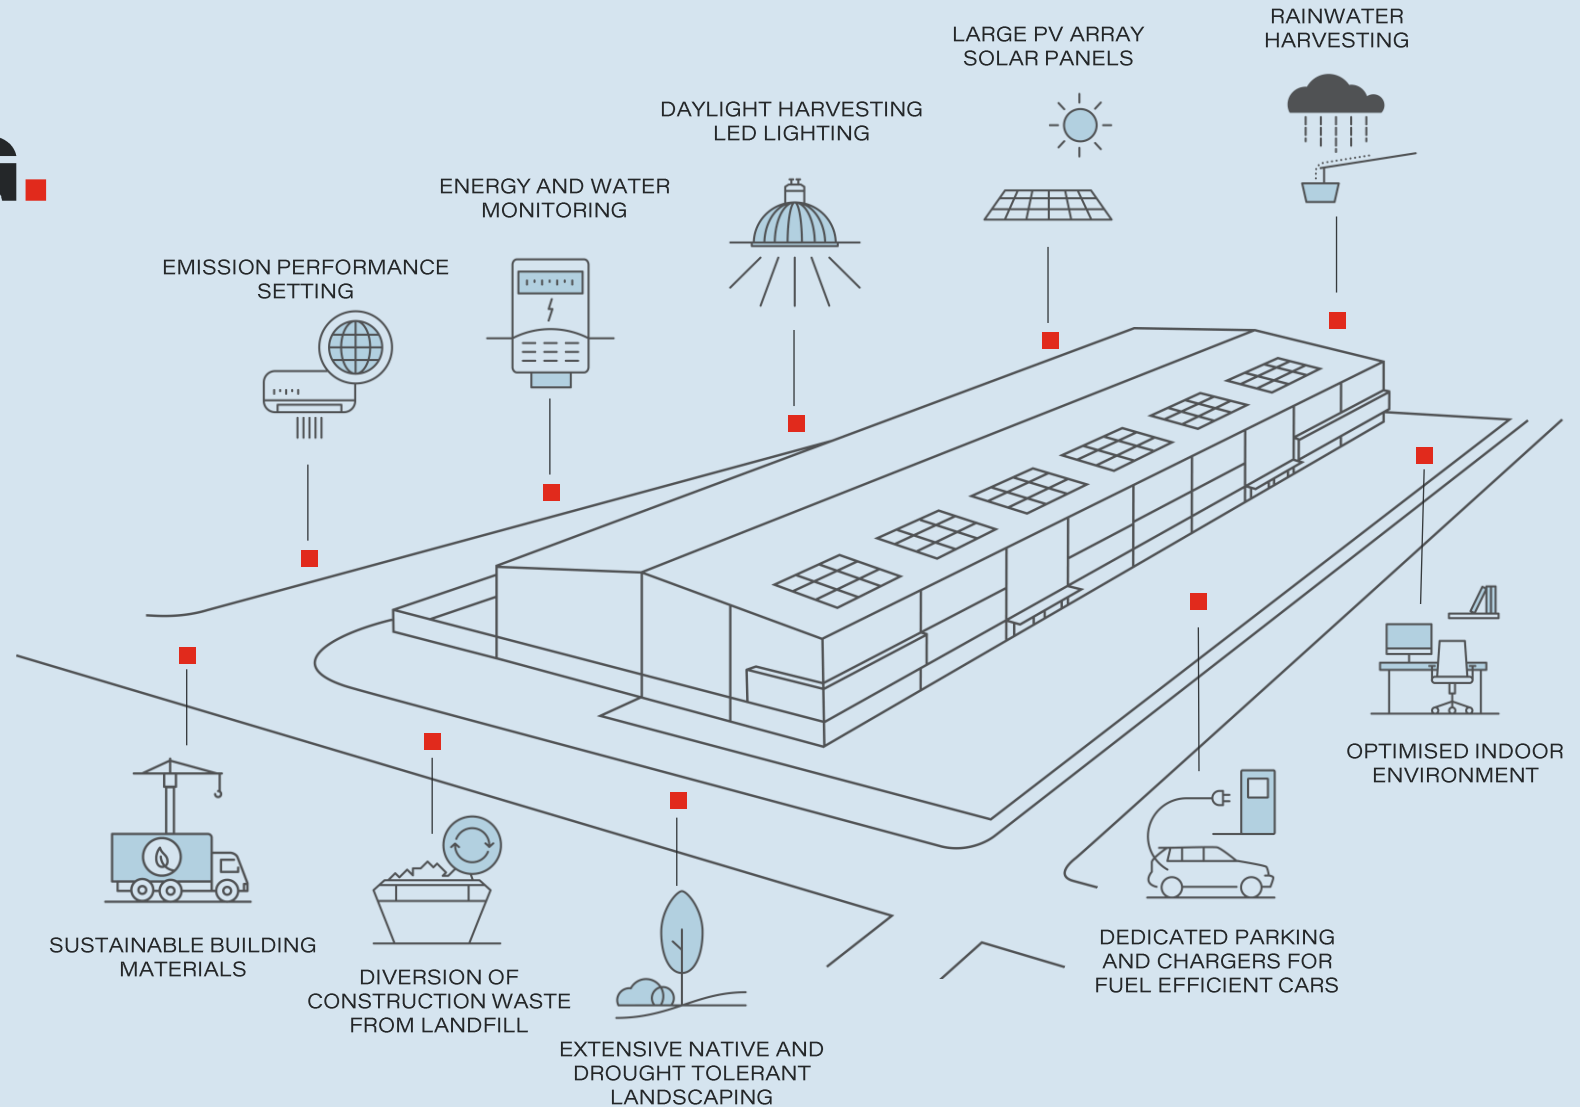

- Lower operational costs for tenants through energy and water efficiency
- Healthier workplaces with improved air quality and natural light
- Reduced environmental impact from construction and operation

DESIGNED FOR PERFORMANCE AND WELLBEING.

Every significant new PFI development integrates features that support efficiency, comfort, and environmental responsibility.

At Springs Road Estate, this starts with sustainable construction choices such as low-GWP concrete and a target of at least 70% waste diversion from landfill.

The design includes energy and water efficiency measures and careful attention to indoor environment quality, with fresh air rates 100% above NZBC requirements, low ambient noise, good access to daylight and views, and LED lighting for uniform, flicker-free illumination.

ABOUT PFI.

ELEVATING INDUSTRY, SUSTAINING SUCCESS

PFI is an NZX listed industrial property specialist, owning over 90 quality properties worth more than \$2 billion. Our well diversified portfolio is focused on strategic locations that drive value and growth for the industrial sector, for our tenants, and for our investors.

Since listing on the NZX in 1994, we've built a strong track record of delivering consistent returns. We invest for the long-term, combining our capital and specialist industry capability to deliver the successful outcomes all our stakeholders need.

PROVEN DEVELOPMENT EXPERTISE.

AWARD-WINNING DELIVERY

All of our recent 5 Star Green Star design developments were delivered on or ahead of time and budget—demonstrating our ability to deliver high-quality, sustainable industrial spaces.

TRUSTED PARTNERSHIPS

We work with a network of trusted, reputable contractors to ensure quality, reliability, and smooth delivery throughout the development process.

MORE THAN JUST A LANDLORD.

TAILORED, AGILE SUPPORT

We move fast, so your business doesn't have to slow down. With the resources to support fit-outs, extensions, or custom features, we adapt spaces efficiently—keeping your operations agile and uninterrupted.

CONNECTED PARTNERSHIPS

We take time to understand your needs and deliver tailored solutions. With 30+ years in industrial property, we combine personal support with proven expertise to create spaces that work for you.

HANDS-ON FACILITIES MANAGEMENT

Our in-house FM team provides tailored solutions—from reactive support and planned preventative maintenance to sustainable refurbishments. Tenants have direct access to experienced professionals who know the property and respond quickly to keep things running smoothly.

THANK YOU.

* **LOAD SIGN**

AON Advise on Alarm systems:
For alarms relating to storage there is no required clearance.
However, you need to keep in mind the when storing to the roof, storage may effectively create a wall.
NZS 4512:2010 states that anything over 460mm is considered a wall. (storage pallets with product stored to roof could be considered as a wall)
Any clearance is recommended to stop the above from happening.
To be checked and confirmed by alarm contractor issuing PS3.

ISSUED FOR APPROVAL
WE HAVE ASSUMED THE EXISTING SURFACE ONTO WHICH THIS INSTALLATION IS TO BE BUILT IS CAPABLE OF SUPPORTING THE STRUCTURAL AND ITS CONTENTS. WE RECOMMEND YOU OBTAIN INDEPENDENT VERIFICATION THAT THE EXISTING BUILDING IS CAPABLE OF SUSTAINING THE LOADS.
